Coordinator signature

* (e.g. developing intellectual outputs, communication, coordination, international meetings, research, follow-up, evaluation, reporting etc)

T2.3 Survey and evaluation of courses at ...

- Road transport system – courses in Germany
- Road transport system – courses in Austria

T2.4 Teaching methodologies for new 12 Masters courses....

—Presentation examples of our courses

T2.5 Building a knowledge base on stakeholders

- Road transport system – courses in Germany
- Road transport system – courses in Austria

T4.3 Development of road transport research laboratories

- Requirements for computers for labs.
- Information about the computers or other lab equipment - the matter of depreciation
